Admission Appeals

Where applicants are declined a place at the school, parents have a statutory right to appeal against the decision. They should indicate their wish to do so by writing to the Clerk of the Appeal Panel, PO Box 11, Chelmsford, CM1 1LX within 20 days of that refusal. Parents/carers may only submit one application for an academic year unless there are significant material changes of circumstances relevant to the application; appeal forms can also be obtained from the school.

Parents and prospective students are very welcome to visit the school at any time; however, this is not an offer of a placement. Please telephone the school to make an appointment.

Clarification of Admission Selection Criteria

(#) The definition of a Looked After Child will be the same as the Local Authority uses:

A 'looked after child' or a child who was previously looked after but immediately after being looked after, became subject to an adoption, residence or special guardianship order. A looked after child is a child who is (a) in the care of a local authority, or (b) being provided with accommodation by a local authority in the exercise of their social services functions (see the definition in section 22(1) of the Children Act 1989).

(*) The definition of a sibling will be the same as the Local Authority uses:

For applications made in the normal admissions round, and for mid-year admissions, a relevant sibling is *'a child who has a brother, sister, adopted brother or sister or stepbrother or stepsister living in the same family unit in the same family household and address who attends the preferred school in any year group excluding the final year. Biological siblings who attend the preferred school in any year group excluding the final year will also be treated as siblings irrespective of place of residence. Children residing in the same household as part of an extended family, such as cousins, will not be treated as siblings'*.

(**) All straight-line distances are calculated electronically by the Local Authority using data provided by Ordnance Survey. The data plots the co-ordinates of each individual property and provides the address point between which straight-line distance is measured and reported to three decimal places.

(***) In-year applications are applications that take place outside of the normal admissions round.
